2nd Grade Adopts Grandparents at Local Nursing Home

2nd Grade students have adopted residents of Shemwell, a local nursing home located less than a mile from our school. They began their new friendships by writing friendly letters to the residents before Thanksgiving telling the residents a little

bit about themselves and what they were thankful for Thanksgiving. They also sent Thanksgiving cards with their letters. Then they made Christmas cards and visited with their adopted grandparents for the first time in December. They sang Christmas carols and had pictures taken of them and their grandparents.

2nd Grade hopes to continue writing and visiting throughout the rest of the school year building stronger relationships with the residents as well as acquiring a new appreciation for the elders that have experienced life before them.
