

Webster County SchoolWay App Information

Please give our new SchoolWay Webster County School District notification system a try. We are excited about this new system because we can attach documents and photos when we send a notification. You can receive messages via push alerts and you can opt to receive notifications via text or e-mail. There is also the option of a Web App. If you have not yet registered for SchoolWay please see the following instructions:

<https://itunes.apple.com/us/app/schconnect/id489765544?mt=8>

<https://play.google.com/store/apps/details?id=com.jostens.schoolway>

OR

[Web App on Any Other Device](#)

Instructions for downloading app to your phone:

- (1) Download the free SchoolWay app to your phone. (iPhone or Android)
- (2) Create account—tap Register and enter your information
- (3) Select your user role and tap Save
- (4) Select your district by searching for Webster County Schools or search by using your WayCode which is **4i56dk**
- (5) We do NOT have schools added yet so if it asks you if you

want to add a school select NO, thanks I'm done

(6) We do NOT have a Channel so if it asks you if you want to select a channel select NO, thanks I'm done

(7) Once you are connected to SchoolWay you can go into Settings and select to also receive SchoolWay notifications via SMS text message or e-mail.
