

WE NEED HELP!

Tools to help lessen the strain of a school closure

Keep the rhythm and routine

Double click [HERE](#) for how to keep the sanity in your home during an extended school closure.

Need things to do?

Needing more things for your kids to do? Double click on these resources below and select the grade level for new things to do with your kids...

- [Learn At Home With YouTube](#)
- [KET Learn at Home](#)
- [Resources for Families During COVID-19](#)

Take a Trip...Virtually

Utilize these free virtual field trips to go somewhere virtually. Double click the links below to find out everywhere you can go...

- [Google's Field Trips](#)
- [Virtual Field Trips](#)

But I Can't Help Them...

Finding yourself struggling to help your kids? Is the math work killing you? Double click the link below for step by step help in any subject, especially math.

- [Khan Academy](#)

Need to Contact Someone?

If your child is having issues with his/her distance learning, the best solution is to contact the subject area teacher. Teacher email addresses are firstname.lastname@webster.kyschools.us
